About Us

ABOUT US – VARINO PACK

Varino Pack was founded by professionals with more than 10 years of international experience in the food packaging industry, combining strong manufacturing capabilities with deep sector knowledge. Thanks to our founders' long-term experience in European and global markets, we have a strong understanding of international customer expectations, quality standards, and supply chain processes. We transform this expertise into reliable and sustainable packaging solutions for our partners.

With our production infrastructure, we manufacture burger boxes, meal boxes, food trays, french fries boxes, and corrugated packaging solutions. For complementary product categories, we collaborate with trusted manufacturing partners, offering our customers a comprehensive one-stop sourcing solution.

At Varino Pack, we are not just a supplier; we aim to be a long-term solution partner that simplifies operations, adds value to brands, and supports business growth. Quality, reliability, and customer satisfaction are at the core of everything we do.

VISION

To become a respected and preferred international brand in the food packaging industry through sustainable production, innovation, and a reliable partnership approach.

MISSION

To provide high-quality, functional, and environmentally responsible packaging solutions by combining our manufacturing strength and supply network, building long-term partnerships based on trust, flexibility, and added value.

Quality Policy

At Varino Pack, quality is more than a product standard—it is the foundation of everything we do.

We are committed to delivering packaging solutions that are reliable, consistent, and tailored to our customers' expectations. From sourcing raw materials to final delivery, every stage of our process is carefully managed to ensure the highest level of quality. Our quality commitment is built on:

- ✓ Understanding and meeting customer needs
- ✓ Continuous improvement of products and processes
- ✓ Strong and reliable supply chain management
- ✓ Compliance with industry standards and regulations
- ✓ Responsible and sustainable business practices
- ✓ Building long-term partnerships based on trust

We implement rigorous quality control procedures throughout our production processes, ensuring that every product meets the required specifications and performance standards.

Our goal is to create lasting value for our customers by providing dependable packaging solutions that support their business growth.

Sustainability

Producing with the Future in Mind

At Varino Pack, we believe that sustainability is not just a choice—it is a responsibility toward future generations.

As a packaging company, we recognize our environmental impact and strive to operate with responsibility and care in every aspect of our business.

Our paper-based packaging solutions are produced using renewable resources and provide alternatives that help reduce the reliance on plastic packaging.

Responsible Manufacturing

Efficient use of resources is at the core of our sustainability approach.

- ✓ We are committed to:
- ✓ Improving the efficient use of raw materials
- ✓ Reducing waste throughout production processes
- ✓ Optimizing resource consumption
- ✓ Continuously improving our operations
- ✓ The Value of Paper-Based Packaging

Paper-based packaging plays an important role in creating a more sustainable future thanks to its recyclability and renewable nature.

At Varino Pack, we aim to provide packaging solutions that are functional, reliable, and designed to support the reduction of environmental impact.

A Long-Term Commitment

Sustainability is integrated not only into our products but also into the way we do business.

Together with our suppliers, partners, and customers, we strive to build a more responsible and sustainable value chain.

Continuous Improvement

We closely follow international quality, environmental, and sustainability standards and continuously work to improve our practices accordingly.

Our commitment is to develop more efficient, responsible, and sustainable packaging solutions every day.

Our Sustainability Principles

- ✓ Supporting Renewable Resources
- ✓ Recyclable Packaging Solutions
- ✓ Resource Efficiency & Waste Reduction
- ✓ Responsible Partnerships
- ✓ Continuous Improvement
- ✓ Commitment to Future Generations
